¹ All future release dates are tentative and are subject to change at the sole discretion of Veritas. While the features and enhancements listed above are scheduled for the dates mentioned, Veritas makes no assurances that any or all of these features and enhancements will be available at any time. Customers looking to purchase or renew their services with Veritas should do so solely based on the features of the service available at that time.

² Additional fees apply. Requires a concurrent number of Enterprise Vault.cloud Discovery Archive licenses.

Steps to Access Enterprise Vault.cloud Downloads

We have a new updated Downloads Center that makes finding your Veritas Product Downloads even easier! You can read about it here:

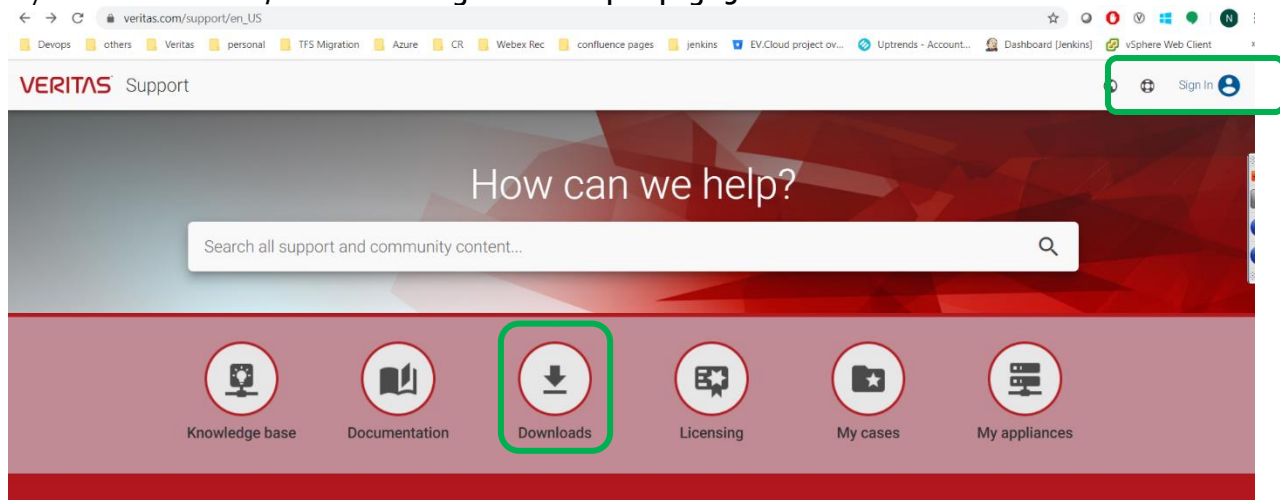

https://www.veritas.com/content/support/en_US/news/download_center

The new Downloads Center effectively combines the access to files from Veritas Entitlement Management System (VEMS), the Veritas Support website, or SORT into a one stop shopping experience. Now you can find, review, and download software releases for all Veritas products (full installs, full upgrades, patches, and other related files) in one place. Obtaining Veritas software is now as simple as going to Veritas Support and clicking on the Downloads icon from the homepage. It is that easy!

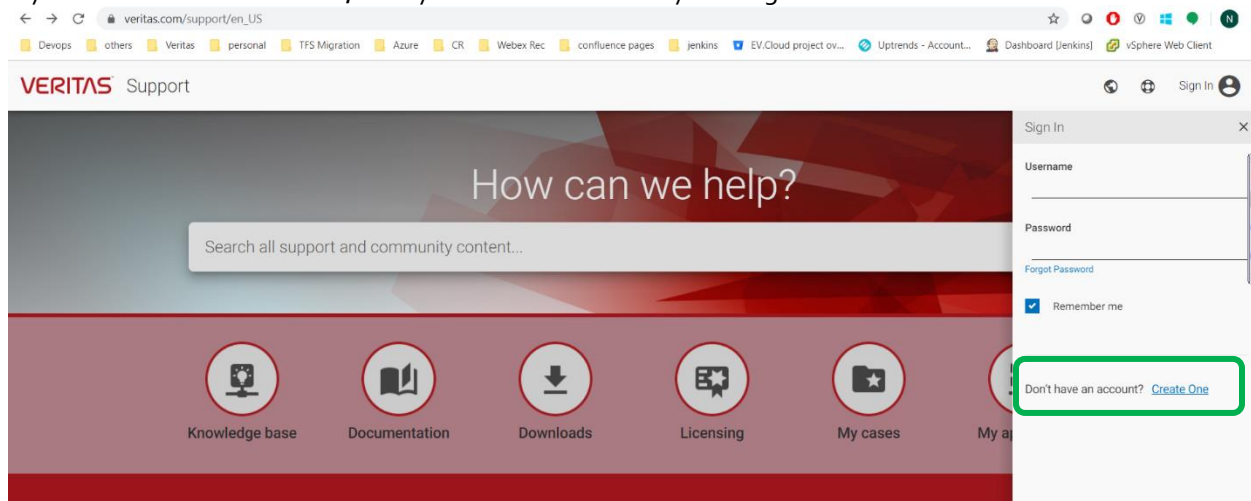

Please go to the Veritas Support link.
