<sup>1</sup> All future release dates are tentative and are subject to change at the sole discretion of Veritas. While the features and enhancements listed above are scheduled for the dates mentioned, Veritas makes no assurances that any or all these features and enhancements will be available at any time. Customers looking to purchase or renew their services with Veritas should do so solely based on the features of the service available at that time.

<sup>2</sup> Additional fees apply. Requires a concurrent number of Enterprise Vault.cloud Discovery Archive licenses.

<sup>3</sup> Built on Chromium

- Ability to base Guaranteed Sampling on the whole department or per employee and new department level sampling report
- Ability to add/edit Department for a monitored user from Manage Console

#### **Review UI Enhancements**

- Filter usability & performance optimization
- Filter settings persisted (i.e., allows reviewers to return to review where they left off)
- Column settings persisted
- Ability to hide Task Status on Dashboard
- Ability to hide 'Reviewed Irrelevant' status
- Ability to hide 'Questioned' status
- Status marking buttons moved to the top of Review UI

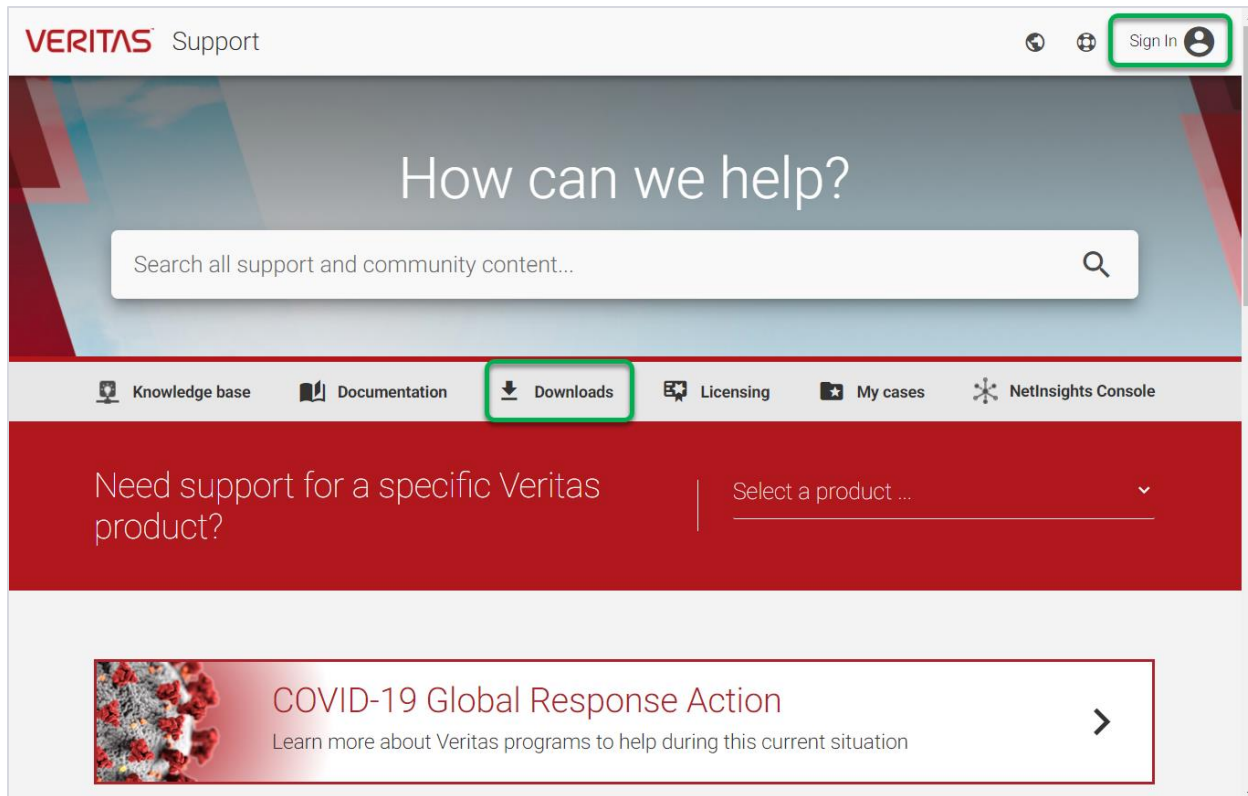

### **Steps to Access Enterprise Vault.cloud Downloads**

We have a new updated **Downloads Center** that makes finding your Veritas Product Downloads even easier! You can read about it here: [https://www.veritas.com/content/support/en\\_US/news/download\\_center](https://www.veritas.com/content/support/en_US/news/download_center)

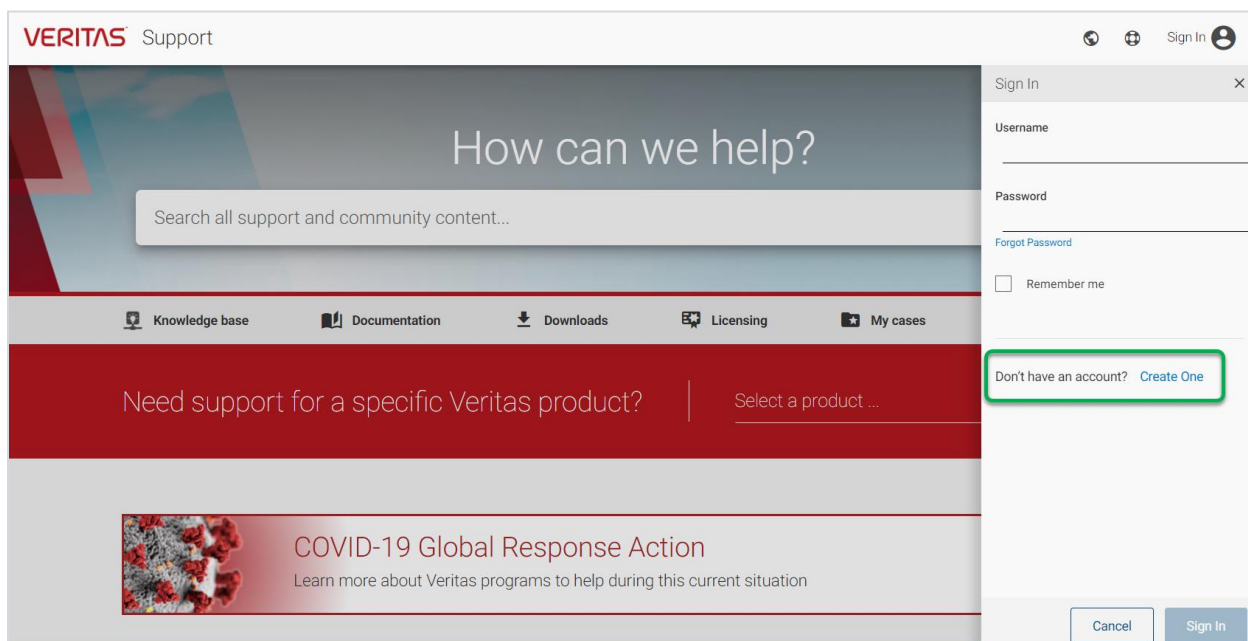

The new Downloads Center effectively combines the access to files from Veritas Entitlement Management System (VEMS), the Veritas Support website, or SORT into a one stop shopping experience. Now you can find, review, and download software releases for all Veritas products (full installs, full upgrades, patches, and other related files) in one place. Obtaining Veritas software is now as simple as going to Veritas Support and clicking on the **Downloads** icon from the homepage. It is that easy!

To start working in the Downloads Center:

1. Go to the [Veritas Support](#).
2. If you have an account, then click **Sign-In** and jump to the step 8.

3. If you do not have an account, click **Create One**.

4. On the next screen, click **Register Now**.

## Veritas Account Login

Veritas Account Manager is Veritas's User Account Management application for Veritas Entitlement Management System, PartnerNet and VOX Community.

If you already have an existing account on one of these applications, use your

SUBMIT

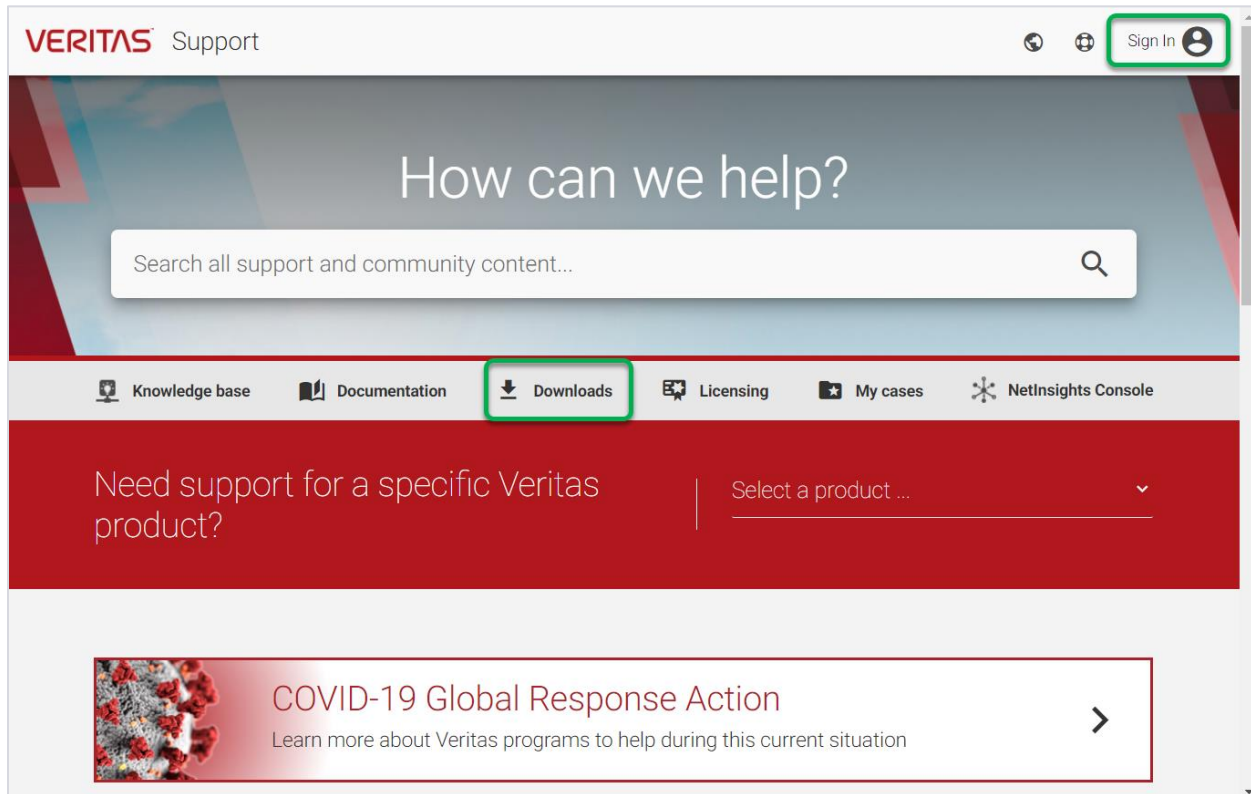

You will be navigated to this page where you must **activate your account** by going to your email and clicking the proper link.

The screenshot shows a web browser window with the URL `vam.veritas.com/VAM/processCreateAccount.do`. The browser's address bar and tabs are visible. The page header includes the Veritas logo and the text "Veritas Account Manager". The main content area displays the message "Your Veritas Account Has Been Successfully Created." Below this, a green-bordered box contains the text: "Please activate your account by clicking on Activation link in email sent to you. [Click Here](#) to return to VAM home page." The footer of the page contains the copyright notice: "©2020 Veritas Technologies LLC. All rights reserved."

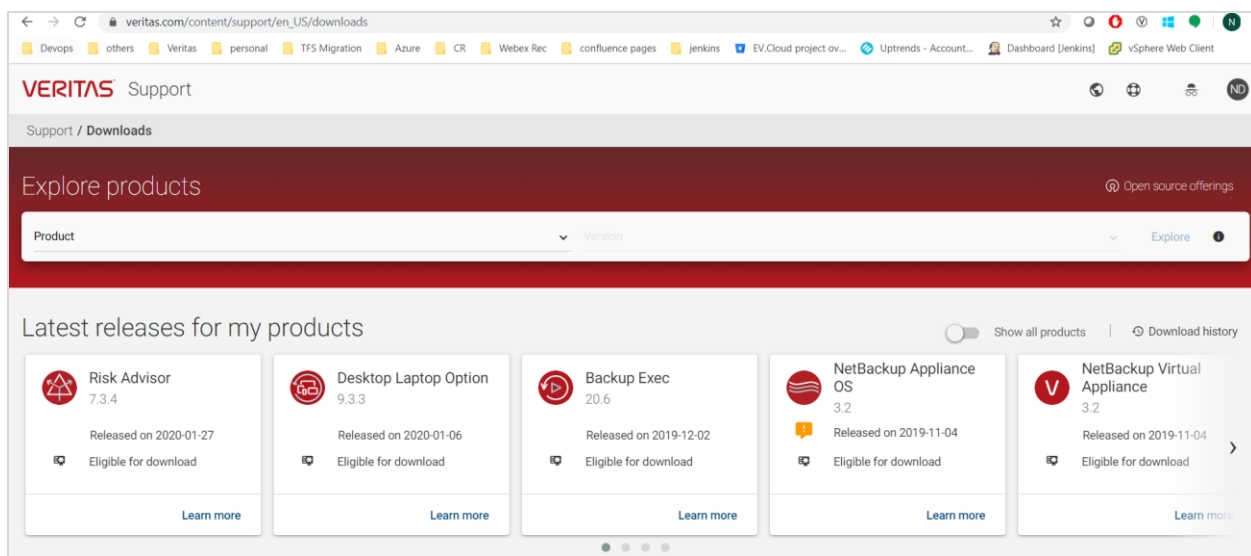

6. Click the **activation link** that is included in the received email to complete the registration process.

The screenshot shows an email with a blue header containing the Veritas logo. The main body of the email is titled "Veritas Account Confirmation". The text reads: "Hello, [redacted] : there's only one step left ! We just need to verify your email address to complete the setup of your account. To verify the address, click on the following link:" Below this text, a green-bordered box contains the activation link: <https://vam.veritas.com/VAM/activate?serialNumber=1611149179908Dz86S6136Q0S1JqytUx>

7. Go back to [Veritas Support](#) and **Sign in** to your account.

8. Click the **Downloads** button and you will be directed to this page.

9. Click the **Product** dropdown arrow to search for **Enterprise Vault.cloud**.

The screenshot shows a web browser window at [veritas.com/content/support/en\\_US/downloads](https://veritas.com/content/support/en_US/downloads). The page title is "VERITAS Support" and the breadcrumb is "Support / Downloads". Under the heading "Explore products", a dropdown menu is open, listing several products. "Enterprise Vault.cloud" is highlighted in the dropdown. Below the dropdown, a table of products is visible:

Product Name	Version	Release Date	Eligible for download
Desktop Laptop Option			
Disaster Recovery Orchestrator			
eDiscovery Platform			
Enterprise Vault			
Enterprise Vault.cloud			
HyperScale			
Backup Exec	20.6	Released on 2019-12-02	Eligible for download
NetBackup Applia OS	3.2	Released on 2019-11-04	Eligible for download

10. Click **Explore**

The screenshot shows the same Veritas Support Downloads page. The "Enterprise Vault.cloud" product is selected in the dropdown menu. The dropdown also shows "HOSTED" and an "Explore" button, which is highlighted with a green rectangular box. Below the dropdown, the "Latest releases" section is visible.

11. In this window, click **Base and Upgrade Installers** and you will see a list of installers.
